

THERE'S ONLY WAGONEER S

All-Electric and All-New, with the proven Jeep®
Brand capability of Selec-Terrain® Traction
Management System to tackle your most
daring adventures.

JEEP® WAGONEER S

PREMIUM PASSION

With a Segment-Exclusive* 19-speaker McIntosh® Premium Entertainment System, plus heated and ventilated seats in both front and rear, Wagoneer S is a mobile concert hall with supreme comfort.

*Based on U.S. IHS Premium Mid-Size UV segment, excludes other FCA US LLC models. Based on the latest available competitive information.

JEEP® WAGONEER S

ELECTRIFYING PERFORMANCE

Startling performance by the numbers:

3.4 seconds 0-60 mph time

600 hp

617 lb-ft of max torque

300+ miles on a single charge

23 minutes to charge from 20-80%
via Level 3 charger

Wagoneer Launch addition also includes either a Free2move Charge Level 2 Home Charging Station* or \$600 in charging credits to be used at public charging stations around the country.

*Requires professional installation. See dealer for details.

JEEP® WAGONEER S

ADVANCED AUTONOMY

Wagoneer S uses advanced sensors and cameras to augment the hand-on-wheel eyes-on-road automation system* to keep the vehicle within its lane and a safe distance from the vehicle ahead.

Fully Autonomous Parking* provides a no-stress, no-input experience even for difficult parallel parking spaces.

*This system is a driver's convenience system, not a substitute for active driver involvement. The driver must be aware of traffic conditions and maintain control of the vehicle.

JEEP® WAGONEER S

COMMAND CENTRAL

Stay informed and entertained with Best-in-Class 45 inches of total display screen area* among EVs, including a standard front-passenger screen that can access entertainment or the vehicle's cameras. A full-color Head-Up Display keeps your eyes on the road even when following GPS directions.

Wagoneer S also lets you maintain control from a distance with the Jeep® app†, allowing you to remotely heat or cool your vehicle, open all windows before you get to it, or even schedule a service appointment.

*Based on U.S. IHS Premium Mid-Size UV segment, excludes other FCA US LLC models. Based on the latest available competitive information.
† Requires compatible phone and usable cellular range to access the app. App features may vary between vehicle, model year, and the connected services available.

JEEP® WAGONEER S

ANTICIPATE THE UNEXPECTED

Be ready for whatever Mother Nature throws at you with the proven ability of the Jeep® Brand Selec-Terrain® Traction Management System. With specialized Auto, Snow, Sand, Sport and ECO drive modes, the system can customize output from the separate motors at the front and the rear of the vehicle for confidence-inspiring traction.
